RE: Engagement Letter, Campbell, Cross, & Milam Street Overlay Project, Ward, Arkansas

Dear Mayor Gastineau,

I greatly appreciate your interest in using Bond Consulting Engineers for this project. Under our professional qualifications, we are more than qualified to assist the city in preparing plans and specifications for an existing street overlay and managing the project. Therefore, we would like to enter into an agreement with the City of Ward, Arkansas to complete this project.

This project would be to develop an overlay plan of the three (3) streets being requested along with applicable specifications. We would assist in advertising the project, taking bids, and recommending a contractor to the city council. During the overlay, we would perform routine inspections and review all pay request from the contractor to the city of Ward.

We are proposing a professional engineering fee of \$12,250

We are proposing a surveying fee of \$1,500

Engagement letter offered this 11th day of April 2025.
